Identity Theft **PROTECTION** & **RESOLUTION** Services Overview

YOUR ALLY IN IDENTITY THEFT & RESTORATION SERVICES

Businesses and consumers face a stark reality when it comes to data security. Data breaches abound, and identity theft is rampant. The battle to secure data and uphold privacy has only just begun. Since 2003, Cyber Scout has been leading the charge against data breaches and identity fraud caused by hackers, thieves, and even simple human error. We provide unique and unrivaled solutions that deliver valuable preventive education, proactive protection services, and swift and appropriate incident remediation for more than 17.5 million households and 770,000 businesses.

While Cyber Scout may not be a household name, we provide our services through more than 600 client partners which include 16 of the top 20 U.S. property & casualty insurance carriers, six of the top 10 Canadian insurers, major credit unions, banks, and numerous Fortune 500 companies.

Our long-standing reputation, industry expertise and custom approach offers you a trusted ally!

Every day brings headlines of new threats to your identity:

- A hospital loses sensitive patient data
- A company gets hacked for consumer payment card information
- Thieves steal mail, skim credit cards and rummage through trash for our personal information

EVERY 2 SECONDS, another American becomes **A VICTIM** of identity theft.

Identity theft is the **FASTEST GROWING CRIME** in the USA.

Identity theft affects about **13.1 MILLION** people **EVERY YEAR.**

Maximum **PROTECTION** for a **LIFETIME** of risk

WHO'S AT RISK?

HAVE YOU EVER?

Used a credit, debit card or ATM?

Used digital communication?

Filed a tax return?

Purchased anything online?

Visited a doctor or hospital?

If you answered "yes" to any or all of the above questions, you are at risk of becoming a victim of identity theft.
