Upon completion of the annual membership drive and/or quarterly solicitation of new retirees based on the list provided by Chevron, submit this form and receipts to the Area VP for approval and transmittal to the Association's Treasurer. Expenses for printing, postage, and associated solicitation materials will be reimbursed. Receipts are required for individual expenses of \$25 or more.
- **CRA Form 125** – Chapter Dues Transmittal and Annual "1st-year Free" Member Report. This form reflects the purpose of both reporting dues and annually summarizing activity related to the "1st year free" trial initiative. A check should be made payable to the Chevron Retirees Association in the amount of \$3.00 per dues-paying member. The preferred date for transmittal of dues is **March 15**, but no later than June 15. The Association prefers to have dues paid by June 15, as we are on a fiscal year basis. However, dues can be submitted at any time.

Please note that expenditures for the chapter president to attend both the Area Executive Meeting and the Annual Meeting will not be reimbursed, if in the opinion of your Area VP, after discussions with the Treasurer, that the chapter has not made substantial dues payments by **March 16**.

- **CRA Form 126** – Chapter "1st-year Free" New Member Report. Chapter utilization of the CRA 126 is strictly optional and is a worksheet/tool for use in monitoring the list of members who have joined the chapter as part of the "1st-year free" trial initiative.

In addition, postage will be paid for mailing *Encore* to your members, who **do not have Internet access** at home. For copying and mailing *Encore*, to those who do not have Internet, the current maximum reimbursement is \$2.36 per copy (\$1.65 for copying costs and \$0.71 for postage for the number you distribute. The maximum reimbursement is reviewed annually and revised when there is an increase in postage.

If expenses incurred are associated with either the mid-year or annual meeting, check the appropriate line, as indicated in the instructions. Reimbursement will not be made without attached receipts. However, for expenses less than \$25; e.g., tips, a receipt is not required. The exception to this is that all meals must be accompanied with receipts. Effective January 1, 2017 the mileage rate is \$0.535.

- **CRA Form 200** – Report of Chapter Officers. The report should be completed immediately **after election of officers**, but no later than December 31, if practical, and distributed as indicated on the form, when new officers are elected. If there is no change in officers, an email to the CRA Secretary, the Area VP, and the CRA President is all that is required. If the chapter includes meeting information on this form, it is recommended this be reviewed annually, as it is included in the CRA Roster that is posted on the website.
