

## Make a Difference Day Help to improve the lives of others

Dear Colleagues,

October 23 is National 'Make a Difference Day' – when millions of people unite to contribute their time, volunteer, and give back to their local communities. To help celebrate 'Make a Difference Day,' Chevron Humankind US is offering eligible US employees and retirees the opportunity to receive a 2:1 giving match for select organizations, up to a \$1 million giving cap, from now until October 29.

This effort is targeted to help current and future disaster relief efforts, and to assist food banks in our operating areas as they continue to face impacts from the pandemic. The campaign will also provide much needed charitable funds in advance of the holiday season.

Help us 'Make a Difference' by [logging in to Chevron Humankind](#), visit the **2:1 #MakeADifference Campaign** and donate to one of the featured organizations. For more details, review our program FAQs, attached.
