## NEXT MEETING

One of the next chances to attend a Social Hour / Luncheon in our area to see some of your retiree friends and hear a Senior Chevron Executive presentation is the "Chevron Graduates 50th Annual Holiday Luncheon" on Friday December 5th at the Crowne Plaza Concord Hotel California Ballroom (45 John Glenn Dr., Concord). This function is organized by the "Graduates Committee" (not part of the CRA chapter) and all Chevron and legacy company retirees, spouses & guests are welcome to attend.

The Graduates Committee has sent a notice of the luncheon and reservation details to their list of potential attendees which many of you are already on. **For those not on the list, a summary of the Graduates Committee notice and their reservation form is included in this Newsletter (page 4-6). If you wish to get on their list and receive future notices you must provide your mailing address or e-mail address (preferred) to the Graduates Committee Chairman, John Dewes, by e-mail; [john.dewes@alumni.nd.edu](mailto:john.dewes@alumni.nd.edu) or phone (925) 939-1988.**

The next Luncheon meeting of our CRA Contra Costa County Chapter is currently scheduled for February 23, 2015 at the Contra Costa Country Club. Our speaker is scheduled to be Bill Andrew, General Manager, Marine Transportation, Chevron Shipping Co., LLC. Other details will be in our January Newsletter.

## MESSAGE FROM THE PRESIDENT

To my relief, my freshman year in this post has not generated any great crises. That result occurred because of the support from a first class Board whose members knew what to do and did it. However, at yearend we will lose two long time contributors to our Board activities – Larry Muth and Bill Scott. Larry's job as VP-database will be assumed by our current Treasurer – Cathy Kerns. She will be succeeded by our Compassion Committee chairman – Adrian D'Souza who in turn will be replaced by our director-at-large Deborah Seminick. Finally, Bill Scott will yield his position as Chair- Website and Newsletter to Helen Romain who will continue as chair of our scholarship committee.

This job-juggling shows our need for some new members on the Board. They would not be expected to immediately take on a particular responsibility. As directors-at-large they would have time to see how CRA works before taking on a job but they would be in position to contribute their ideas on how our Chapter can better serve you, our members. Think about it; if you are interested contact me by phone at 925-938 3841 or by email at [ckscanlan@aol.com](mailto:ckscanlan@aol.com)

We hope to see many of you at the Chevron Graduates Holiday luncheon on December 5. This is the golden anniversary event –the fiftieth year! John Dewes and his committee sent notices to those retirees who have attended in the past but if you are a recent retiree or new to this area, and have not heard of this great party, contact me. I can give you information and the name of a committee contact.

It is amazing how fast the year 2014 has passed. This will be the last "Report" for this year so even though it is only November, I wish all of you a happy and blessed holiday season. We look forward to an eventful 2015.

Chuck Scanlan

## COMPASSION COMMITTEE REPORT

The following is a list of members of the Contra Costa Chapter of Chevron Retirees who have passed away since the issuance of the last newsletter:

**West Alexander**  
**Willard Beards**  
**Len Course**

**Hy Resnick**  
**John Watkins**

A complete list of Chevron retirees' deaths is published quarterly in the retirees' magazine Encore and in the Chevron Retirees' website ([www.chevronretirees.org](http://www.chevronretirees.org)). If you come to know of any Chevron Retiree members from the Contra Costa Chapter who have passed away, please let us know immediately at [compassion@chevronretireescontracosta.org](mailto:compassion@chevronretireescontracosta.org).

## MEMBER NOTES

**Doug Phillips:** I have sad news on behalf of my mom & dad, Eric & Lynn Phillips. My dad passed away September 2nd after a stroke. It was very quick, he didn't suffer and had loved ones around him at the hospital. Our family is grieving but we are taking good care of my mom and she is doing well. All four sons and their wives are either here at her home or on the way, even my brother Jim coming from Kenya.

My father Eric H. Phillips worked for Gulf Oil and later with Chevron for his whole career. He started as a field geologist in Ventura, CA and finished as a General Manager in Casper WY and in San Ramon, CA. I will be creating a memorial page that will include some of his geology career.

**Angela C. Backman:** On behalf of my late husband, James L. Backman, I would like his Chevron friends who read this newsletter to know that we now have a new grandson. He will be know, as was his grandfather, as James Backman. I just regret that Jim is not here to enjoy him as I do. May he grow to be the kind and thoughtful man that his grandfather was.

**Sandra Garcia:** Just purchased the perfect travel/camp trailer for Rich and I. Planning some local trips to Napa and coast this fall and maybe winter... Then we will plan longer trips out of state. Life is good!

**Lillian Smithson:** I am recovering from a (this happened June 13, 2014) hemorrhagic stroke which is caused by blood vessel(s) breaking and leaking into the brain, high blood pressure is the primary cause of this type of hemorrhage. I was fortunate that I recognized the symptoms, numbness and tingling of my face and limbs on my left side and call 911, at 5:15 a.m. and was receiving treatment and MRI within an hour in the emergency at Kaiser in Richmond. They were great. I am very fortunate. I still have numbness, am on beta block Atorvastatin and of course aspirin which I'm told I should have been taking at 60 years of age, also was advised to reduce the stress in my life. So that's my story, guess I'll be around a bit longer. Oh yes, I also do therapy once a week for balance, so I'm learning how to fall – or keep from falling.

**Cathy Kerns:** Tom and I are still section-hiking the Appalachian Trail. This year we hiked from the southern terminus of the Shenandoah National Park (VA) through to Greenwood Lakes, NY – 500 miles in 6 weeks. At home, we are happily awaiting the birth of our first grandchild, a girl, in October.

**Chuck McCoy:** Joyce and I are still cruising. We sailed to Hawaii and back on Princess this spring – too long, too dull, too much ocean. Then we had a beautiful cruise from Vancouver to Alaska and back. No deep sea stuff like Larry Muth – we stay on top of the water.

## **SCHOLARSHIP PROGRAM FOR THE 2015-2016 SCHOOL YEAR**

Contra Costa Chapter's scholarship program begins when the 2015 dues notice is sent out. As in past years, the scholarships are for one year, and awards will be based on academic merit and ability. Scholarship America, a national non-profit educational support organization, will select the recipients and distribute the awards.

Students may apply each year they are eligible, but those who have previously been awarded a scholarship by our organization are not eligible to reapply. The criteria for eligibility are:

- Be a child, grandchild or great grandchild of a dues-paying member of the chapter.
- Be age 25 and under.
- Be enrolled, or plan to be enrolled, in the coming school year in a full-time undergraduate course of study at an accredited two or four-year college or university.

Submit your scholarship application to Scholarship America NO LATER THAN MAY 15, 2015. The application may be completed online but it cannot be saved and sent directly to Scholarship America. Remember to print out what you have completed on the application.

This year we have increased the amount of each scholarship to \$2000 because of the support for the scholarship program by all of you. The number of scholarships approved by the Board of Directors is four. However, this may change depending on the donations of the members. We appreciate your support of this program and hope you will add some additional money with your dues payment to continue this support. The individuals we support may be future leaders of Chevron.

Application forms are available on-line on the chapter's website, [www.chevronretireescontracosta.org](http://www.chevronretireescontracosta.org) or by calling or e-mailing: Helen Romain, 925-833-8298 or [scholarship@chevronretireescontracosta.org](mailto:scholarship@chevronretireescontracosta.org).

### **Additional Note from One of the Scholarship Recipients:**

I would like to thank the Chevron Contra Costa Retirees Association for the generous scholarship and well wishes! I am so honored to be chosen as a recipient! With this contribution to my college fund, I am able to worry less about educational expenses and focus more on making a difference in my community (and later, with a degree from UC Berkeley, the world!) It is so inspiring to see such groups as the CCCRA have faith in young students; your support is invaluable. Thank you for investing in the future! Your support means the world to me! Sincerely, Madison Hight
